DESERT ECOSYSTEM:
IMPACT ON SOIL PHYSICAL AND HYDRAULIC PROPERTIES**

WRRRI Technical Completion Report No. 351

**Manoj K. Shukla
John G. Mexal
Geno A. Picchioni
Ted Sammis
David Daniel
Pradip Adhikari
Mike Babcock**

*Graduate student Pradip Adhikari
collects samples from catch funnels
at the site and carefully measure*

*The catch funnels were placed at
regular intervals to measure the
distribution of water from the
sprinkler system used at the site.*
